

Directions to J.L. Yarger's Labs at ASU

Laboratories at ASU-Tempe:

- (1) The Bateman Physical Sciences Building is located at University Drive between Rural and Mill. The building has several wings and the Yarger labs are primarily located in the basement of the C-wing (C50-C55) and the 2nd floor of the B-wing (B248-B260).
- (2) The Interdisciplinary Science and Technology Building #1 (ISTB1) is located just north of the ASU Bookstore and is south of the Physical Science Buildings. This lab houses all NMR and MRI instruments and the Magnetic Resonance Research Center (MRRC). The primary lab is located in the sub-basement (L2) of ISTB1, Room 63.

From Airport to ASU-Tempe:

- (1) Leaving Sky Harbor you take the Loop-202 heading East.
- (2) Exit at Rural/Scottsdale Road.
- (3) Go South on Rural ~ 1 mile.
- (4) Go West on University Drive for ~ 1/2 mile.
- (5) Park in Fulton Center Parking Structure (Visitor Parking)

Parking at ASU-Tempe:

- (1) The Fulton Center Parking Structure is the closest place to park for people visiting the Chemistry and Biochemistry Dept.
- (2) This Parking Structure can be accessed from either College Ave. or University Drive and is just North of the Fulton Center Building.
- (3) The Parking Structure cost \$5 per day for visitor parking.
